Frobishers

the fruit, the whole fruit and nothing but the fruit

Four delicious varieties of perfect fruit blends, creating these tasty, all natural smoothies from this distinctly English Smoothie maker, based in rural Gloucestershire.

Only natural ingredients and no preservatives ensure a clean and fresh taste. Gentle pasteurization ensures a long shelf life.

You can be sure you're supplying your customer with a great tasting, healthy smoothie and you can be sure to make great profits.

Knowing that you're providing a great tasting and healthy range of smoothies will ensure their regular return.
